

Countersunk A2 6-Lobe Pin Sleeve Anchor

Product Details

Countersunk A2 Stainless Steel Sleeve Anchor

Expanding fixings giving fast and easy application for heavy duty security.

Security Anchors save time and money when fixing applications that require a firm hold. They are suitable for fixing to a wide range of base materials such as brick, concrete, stone and masonry. Available in both permanent and removable options... for a hold that stays.

(Please note these anchors are not intended for heavy duty structural applications).
