

Steel Zinc Plated Kinmar™ Permanent Sleeve Anchor

Product Details

Steel Zinc Plated Kinmar® Permanent Sleeve Anchor

Expanding fixings giving fast and easy application for heavy duty security.

Security Anchors save time and money when fixing applications that require a firm hold. They are suitable for fixing to a wide range of base materials such as brick, concrete, stone and masonry. Available in both permanent and removable options... for a hold that stays.

(Please note these anchors are not intended for heavy duty structural applications).
