

5-Lobe Pin

'Give me 5' (lobes) for improved tamper-resistance

The 5-lobe Pin security drive offers an improved tamper resistance compared to the more commonly available 6-Lobe Pin drive, as the tooling is more specialized and as a result harder for members of the general public to get hold of.

- Stocked in A4-70 Stainless Steel
- Stocked in button Head and Countersunk Head, Self-Tapper and Machine Screws.
